

The Pittsburgh
Camerata
Keeps on Singing

the **PITTSBURGH CAMERATA**

Mark A. Anderson, Artistic Director

2020-2021 Season

WHO WE ARE

The Pittsburgh Camerata is a professional vocal ensemble which has been presenting choral concerts in Pittsburgh since 1974.

WHAT WE DO

We sing music you won't hear performed anywhere else in Pittsburgh. Some is from the Renaissance and Baroque periods. Some is 20th or 21st century music. The remainder might be from any era. All of this music is intended to be sung by a small choir in an intimate space.

PERFORMANCES DURING THE SEASON OF CORONAVIRUS

Because we do not know when it will be safe for us to sing for you in a concert hall where you gather in person to listen, our performances during this season of coronavirus will be delivered in a variety of ways, depending on what is possible. Here are the ways you will be able to hear us sing:

- A program that has been recorded in advance, which you will be able to access online as a video
- Live-stream video of a concert that is broadcast at the time it is performed
- Streamed video of a concert that is posted after the performance takes place
- In-person performance, with either limited or unlimited seating available, depending on the health directives in place at the time

WHERE WE SING OUR CONCERTS

- IN-PERSON performances will take place at Shadyside Presbyterian Church, 5121 Westminister Place, Pittsburgh, 15232
- ONLINE performances will be available either through our Facebook page, YouTube channel or website page. Stay tuned.

INTRODUCING THE PITTSBURGH CAMERATA

SUBSCRIPTIONS WITHOUT BORDERS

What does this mean, and how will it work?

- Your Camerata subscription is no longer bound by a season.
- When you subscribe, you will be opening an “account” with the Pittsburgh Camerata where your balance determines what you can attend. You determine the when and the how.
- You select a Subscription Level that works for you and make the payment in full. We will record and keep track of your balance.
- When you identify a performance (either in-person or online) you want to attend, you will be able to reserve a spot, and we will deduct the amount from your balance.
- You continue this practice until your subscription runs out of funds.

Why should I subscribe, rather than just buy one ticket at a time to an event?

- Subscribers will pay a discounted price for every performance.
- Subscribers will be given first preference, should a performance offer a limited number of “seats.”
- Subscribers only pay once, until their subscription runs out of funds.
- Your subscription is not limited to a single season.

How will I reserve a spot to attend

a concert in person, or access a video performance?

- You will receive email notification well in advance of any performance, whether it is on-line or in person.
- If you want to attend, you will go to the “subscription reservations” form in our website under the “Tickets” menu.
- We will deliver to you — via email — what you need to attend the performance, whether it is a link or a physical document. You will receive this the day before the performance.
